# ALCIS DOWNY TEE(RECYCLED)

Alcis Sports flagship product- Downy Tee (Round Neck )where eight plastic bottles are used to make each T shirt, making it truly a wonder product for the environmentally conscious. By recycling one plastic bottle, We save the equivalent of 3 hours of energy from a 60 watt light bulb. In addition ,1Kg of R-pet(Recycled polyethylene terephthalate) keeps 60 water bottles out of landfills .Also has a 50% lower carbon footprint than organic cotton.
